

Abhyudaya...

A New Dawn of Learning

(From April's dawn to August's glow)

EDITION #1

*Awakening new consciousness, deeply
rooted in our heritage—
rising with pride, we march together into a
radiant future."*

FROM THE MANAGEMENT DESK

It gives me immense pride to present this edition of our school newsletter, capturing the vibrant spirit of the first half of the 2025-26 session. The past months have been a reflection of our collective dedication—where academic learning has been thoughtfully balanced with activities that nurture creativity, leadership, innovation, and life values.

This edition highlights how our classrooms came alive with curiosity, our students explored new dimensions of technology, engaged in skill-building workshops, and celebrated the essence of culture and community. Each initiative has contributed to shaping confident, empathetic, and forward-looking individuals who carry both tradition and innovation in harmony.

As we step into the coming months, my heartfelt wishes go out to every member of the S D Heritage Pride School family. May this journey continue to inspire, empower, and prepare our children for the limitless opportunities that lie ahead.

With best wishes,

Ms.Kamlesh Taneja

Director

With great pleasure I would like to introduce this edition of our school newsletter, encapsulating the highlights of the first half of the 2025-26 academic session. These months have demonstrated how purposeful learning, creativity, and character-building together shape the holistic growth of our students.

The newsletter presents a snapshot of our collective journey—academic achievements supported by innovation, values-driven activities, and meaningful experiences that foster curiosity, empathy, and resilience. Each initiative reflects our commitment to preparing students not only for academic excellence but also for life beyond the classroom.

As we look ahead, I extend my sincere wishes to our students, parents, and staff. May we continue to strengthen this partnership of learning and growth, ensuring that every child of S D Heritage Pride School moves forward with confidence, discipline, and a vision for the future.

With warm regards,

Ms.Ajaya Chauhan

Principal

FROM THE EDITORIAL DESK

The making of this newsletter has been like stitching together a quilt of memories—each page carrying a patch of joy, effort, discovery, and plenty of fun along the way. From collecting stories to choosing pictures, every step was filled with laughter, teamwork, and the excitement of watching small moments transform into something beautiful. What you see here is not just a record of events, but the heartbeat of our school captured in words, smiles, and snapshots. It is a journey where learning walked hand in hand with creativity, discipline danced with imagination, and the process itself became a celebration.

We owe immense gratitude to our teachers, staff, and parents, who stood as guiding stars throughout this journey. Yet, the brightest colours belong to our students. With their smiles like sunshine, their emotions like gentle rain, and their performances like blossoms in spring, they have turned every page into a joyful memory. Like a rainbow bridging the sky after a storm, their spirit and the fun we shared in creating this newsletter have left an impression that will linger long after the pages are turned.

A Radiant Dawn (Session 2025-26)

“ज्ञानं हसति – With Knowledge Comes Joy
Welcoming a New Beginning...

At S D Heritage Pride School, the beginning of the academic year 2025-26 unfolded with warmth, vibrancy, and a spirit of new possibilities. The welcoming day was not just an entry into classrooms, but a celebration of dreams taking flight and young minds stepping into a world of discovery.

The corridors resonated with cheerful voices, classrooms glowed with curiosity, and the entire campus brimmed with energy and togetherness. Every smile reflected hope, every step carried ambition, and every moment whispered the promise of growth.

It was a day that breathed life into the school, weaving laughter, aspirations, and enthusiasm into the fabric of a promising year ahead.

With open hearts and eager minds, our students embark on a journey that is destined to be filled with learning, creativity, and unforgettable memories.

Educational Visits

*Expanding Horizons
Beyond the Classroom*

Visit to :

Gurudwara: 13-04-25

Honda: 13-05-25

PM Museum: 11-07-25

Aarvy Hospital: 22-07-25

Ecoverva plant: 06-08-25

Naya Sawera Orphanage: 08-08-25

National Science Museum: 30-08-25

“TRAILBLAZERS IN TRAINING:

Exploring the Engines of Society

Our students embarked on a series of enriching visits that beautifully blended culture, history, and discovery. At the Gurudwara, they experienced the essence of Sikh traditions and imbibed timeless values of humility, equality, and community service. The visit to the Pradhanmantri Sangrahalaya offered a captivating glimpse into India's political journey, brought alive through engaging displays and interactive multimedia exhibits. Adding a scientific dimension, a trip to the National Science Museum sparked curiosity and wonder, as students explored exhibits that highlighted innovation, technology, and the marvels of science in everyday life. Together, these experiences broadened perspectives, nurtured core values, and ignited a spirit of inquiry and lifelong learning in our young minds.

#Snapshot

Our students engaged in a series of insightful industrial visits that brought learning alive beyond the pages of textbooks. At the Honda Plant, they witnessed the fascinating world of automobile manufacturing, robotics, and automation, gaining first-hand exposure to precision engineering. A visit to Aarvy Hospital introduced them to the functioning of modern healthcare facilities, highlighting the role of advanced technology, efficiency, and compassion in patient care. The tour of the Ecoverva E-Waste Plant, Manesar, shed light on the importance of recycling and sustainable practices, encouraging students to think responsibly about environmental preservation. These visits not only broadened their academic understanding but also nurtured curiosity, critical thinking, and a sense of social and environmental responsibility—skills essential for tomorrow's changemakers.

Clubs in Action

The Tech Elites (The IT Club)

The IT Club aims to enhance students' digital literacy by teaching essential and advanced computer skills, programming, and internet safety. It also fosters innovation and creativity through engaging projects such as app development, web design, and coding competitions.

The Green Savivors (Environment Club)

The Environmental Club creates awareness about endangered ecology and the impact of harmful human activities while encouraging students to take up innovative initiatives that inspire positive environmental change.

Lifestyle Enhancement Club

(Creative Writing & Personality Development Club)

The Life Enhancement Club refines students' spoken and writing skills through activities like extempore, conferences, narrative and script writing, while enhancing public speaking and confidence. It also trains them to handle ethical dilemmas and provides exposure to diplomacy, international relations.

The Creative Cluster (Art & Craft Club)

The Art & Craft Club encourages students to explore their imagination and creativity through hands-on activities. It provides opportunities to learn and practice various art forms such as painting, drawing, 3D art, sculpture, collage, clay modeling, and play dough, helping them express their ideas artistically while enhancing their skills.

The Beat Blasters (Dance Club)

The Dance Club celebrates cultural diversity through classical, folk, and contemporary forms, fostering creativity, discipline, and confidence while enhancing teamwork and stage presence.

The Music Maestros (Music Club)

The Music Club aims to upskill budding singers by introducing them to various musical forms such as folk and classical songs, while also providing training and hands-on experience with a variety of musical instruments to nurture their talent and confidence.

BIO BURST

The Green Chronicle

This edition of Bio Burst beautifully reflects our students' vibrant commitment to nurturing nature and embracing sustainability. From celebrating **Earth Day** with heartfelt pledges to protect our planet, to an eye-opening **visit to a local nursery** that deepened their understanding of plant care, every initiative echoed the spirit of environmental stewardship. Inspiring activities on **Tiger's day** drew attention to the urgent need to protect endangered species, with a special focus on our majestic tigers, while **Van Mahotsav** filled the campus with the joy of tree-planting and the essence of forest conservation. Through these experiences, students not only learned and explored but also strengthened their bond with nature, realizing that even small actions can spark big changes. Together, they carried forward a message of hope, responsibility, and conscious living—sowing the seeds of sustainability for a greener, healthier tomorrow.

ECO ECHOES

@reallygreatsite
www.reallygreatsite.com

Fostering Excellence

At our school, we believe that great teaching begins with continuous learning. This philosophy came alive through a series of CBSE Capacity Building Programs (CBPs), thoughtfully conducted by expert resource persons. On **2nd-3rd June, the workshop on Inclusive Education** illuminated innovative strategies to support diverse learners, fostering empathy and adaptability through engaging discussions and activities. The **30th June session on the National Curriculum Framework** empowered teachers with valuable insights into competency-based learning and curriculum design, enriched by interactive and thought-provoking tasks. On **26th July, the workshop on Disaster Management** combined vital preparedness skills with fun-filled activities, making the experience both meaningful and memorable.

These programs not only strengthened our teachers' professional skills but also rekindled their passion for creating classrooms where every child feels included, inspired, and prepared for the future. Together, they reaffirmed our commitment to shaping education that evolves with time while nurturing timeless values.

Empowering Educators, Inspiring Future...

GLORY UNBOUND:

Echoes of Freedom and valor

This year, our school paid a heartfelt tribute to the heroes of our land, beginning with the commemoration of **Kargil Vijay Diwas**. The day honoured the unmatched courage and sacrifice of the brave soldiers who safeguarded the nation's honour, reminding us that the spirit of India is written in resilience, bravery, and unity. The celebrations became a living salute to those who laid down their lives so that our tricolour could forever fly high. The pride of the nation further echoed in the grand celebration of the **79th Independence Day**, which filled the campus with patriotic fervor. The Mont Block class assembly brought alive the theme "The Power of Being Indian" through inspiring role plays of freedom fighters, stirring slogans, vibrant dances, and a soul-touching motivational song. The spectacular performance of "**Operation Sindoor**" stood out as a powerful tribute to the armed forces, leaving every heart brimming with pride. Together, these moments wove a rich tapestry of courage, freedom, and love for the motherland—echoing India's indomitable spirit and inspiring our students to carry forward the legacy of sacrifice and service.

TECHSPHERE

*Technology Blossoms, Innovation with
Responsibility*

The world of technology at our school is buzzing with creativity, curiosity, and futuristic learning. Students are not just using technology — they are shaping it.

Our computer labs provide senior students with advanced exposure to Artificial Intelligence, coding, and software applications, while the juniors explore creativity through Scratch and other engaging programs that spark imagination at an early stage. Learning becomes more dynamic with audio-visual aids, making concepts clearer, interactive, and fun.

"Igniting Innovation,

"FutureForge: The Robotics & STEM Innovation Lab"

"Robotics brings learning to life—where buttons, wires, and codes turn into endless fun and futuristic creations!"

Little Learners, Big Moments

The Mont Block hosts monthly interactive class events where parents join students in a joyful celebration of learning. Children showcased talents through themes like "Voices in Harmony" and "Rhymes in Rhythm", along with expressive poem recitations. Themes such as "Healthy Inside, Happy Outside" and "Essence of Wellness" highlighted nutrition, mindfulness, and overall well-being. These sessions not only nurtured confidence and creativity but also strengthened the home-school bond.

Life Skills at School:

Empowering Every Child

Shaping responsible and mindful learners through a series of engaging awareness seminars. The Go Sharpener session encouraged students to adopt mindful usage habits and avoid wastage. In the Eco Verva E-Waste Management seminar, they understood the importance of handling electronic waste responsibly to protect the environment. A creative Pidilite session sparked imagination while also highlighting responsible use of materials. To complete the cycle of care, the Aarvy Health Check-up seminar reminded students that good health is the foundation of all progress, emphasizing simple habits for a balanced lifestyle.

Awareness Today, Strength Tomorrow.

Enriching learning with seminars and workshops that build awareness and life skills. Our Foundational Block children learned safety through “Stranger in Danger” session, while a “Health & Hygiene” session highlighted daily habits for good living. For girls in secondary classes, a special session on “Personal Hygiene & Self-Care” empowered them with knowledge and confidence. Students also participated in “Beat the Bite” session to understand insect protection and prevention, and an age-appropriate “Puberty Awareness” workshop helped them navigate growing-up changes with ease.

SUMMER CAMP

”मस्ती की पाठशाला”

To make the most of the early summer break, our vibrant Summer Camp “मस्ती की पाठशाला” ran from **22nd to 30th May 2025**, bringing a perfect blend of fun, creativity, and learning for our young explorers from **Nursery to Class IV**.

Each day was thoughtfully crafted with hands-on activities that sparked imagination and joy. Each day was thoughtfully crafted with hands-on activities that sparked imagination and joy:

Day 1 kicked off with zest as students stirred up their own Bhelpuri in a Fireless Cooking session and crafted adorable Paper Bowl Jellyfish in the Best Out of Waste activity.

Day 2 tiny chefs made sweet Roller Coasters with bread and chocolate spread, while little creators turned popsicle sticks into colorful fish crafts.

Day 3 brought architectural fun with Popsicle Stick Houses, combining craft, color, and creativity.

Day 4 budding scientists wowed us in Science-o-Mania, making DIY projectors using simple materials.

Day 5 added a mathematical twist with the creation of 3D shapes using clay and toothpicks—learning through play at its best!

Finally, on **30th May**, the camp wrapped up with a splash of color and celebration on **Red Day**! Dressed in bright red attire, children enjoyed a day full of music, dance, games, movie time, and their favorite snacks—making it a joyful finale to week full of excitement and enrichment.

From fireless cooking to fun crafts, from DIY science to Maths play, “पाठशाला” was truly a celebration of curiosity, creativity, and connection!

Summery Showers

Assemblies That Inspire

Assemblies are more than routine gatherings—they are moments of expression, reflection, and learning. Students presented themes that touched on values we all cherish.

Class 4 reminded us of **the strength of forgiveness** through stories from the Mahabharata, Ramayana, and Modern lifestyle. **Classes 7 to 9**, under the theme “**No Anger Zone**,” emphasized choosing peace over rage and showed how self-control can resolve conflicts more effectively than anger. Equally impactful were the assemblies by **Classes 5 and 6**, who raised awareness about **child rights and the importance of protection**, encouraging everyone to speak up against injustice.

Our youngest learners in **Nursery and LKG** brought alive India’s cultural diversity under the theme : **we are different , we are one**, with colourful performances, proving that while we may differ in traditions and languages, unity binds us all. Each assembly left behind a strong message of values, confidence, and community spirit.

Assembly Chronicles: Lessons Beyond the Classroom

FUELING FITNESS

*Strong Bodies, Sharper Minds,
Better Tomorrow*

At our school, we place equal importance on physical fitness and academics, creating an environment where play and learning go hand in hand. Our well-designed sports facilities include a vibrant pickleball court, a lively football ground, and a skating arena for outdoor activities, while indoor options such as table tennis, board games, and a dedicated kids' play zone keep young minds active and engaged. To help students build focus, confidence, and discipline, we also offer specialized martial arts and professional skating classes. With every serve, stride, and spin, our children grow stronger, sharper, and more spirited—because for us, sports are not just recreation, they are a foundation for life.

SPORTS ARENA

Languages at a Glance

“Rooted in tradition, reaching out to the world.”

At our school, we believe that language is the key to expression, connection, and cultural understanding. That's why we place strong emphasis on building linguistic skills that go beyond the classroom. Students are nurtured in English, the global language of communication and opportunity; Hindi, the language of our heart and identity; and Sanskrit, the treasure house of wisdom and tradition. To further broaden horizons, we also offer French as a foreign language, opening doors to global culture, literature, and opportunities. By engaging with multiple languages, our students don't just learn words—they learn perspectives, empathy, and the art of expressing themselves with confidence across diverse platforms. At our school, every language is a bridge to a brighter, more connected future.

THREADS OF TOGETHERNESS

*We celebrate with joy and cheer,
The bonds of love we hold so dear.*

*Mothers care in every way,
Friends bring sunshine to each day.
Workers build and help us grow,
Their strength and love forever
show.*

Our school calendar came alive with a series of heartwarming celebrations that honored love, care, and the spirit of togetherness.

Mother's Day was a delightful affair, filled with music, laughter, and emotions. Mothers participated with zest in fun activities, soulful singing, graceful dancing, and light-hearted quizzes. Sharing parenting experiences added depth and warmth, while an emotional dance performance by the tiny tots brought tears of joy to many eyes.

Labour's Day was marked with gratitude and respect for the working force of our school, whose dedication supports us every day. Students expressed their appreciation by presenting greeting cards, joining in a love-filled ramp walk, and staging energetic dance performances — a vibrant tribute to the unsung heroes who help in countless ways.

Friendship Day turned the campus into a hub of affection and camaraderie. Students crafted colorful friendship bands, exchanged them with joy, and strengthened the bonds of trust, laughter, and support that define true friendship.

Raksha Bandhan beautifully captured the essence of sibling love and national pride. Students enthusiastically participated in rakhi-making, tied rakhis to one another, and also sent their handmade rakhis to our brave soldiers — a heartfelt gesture that conveyed respect and gratitude to the guardians of our nation.

Together, these celebrations wove a tapestry of love, gratitude, and togetherness, leaving behind cherished memories.

INTER SCHOOL ACHIEVEMENTS

INTER - SCHOOL ACHIEVEMENTS (APRIL - SEPTEMBER '25)

S.NO	NAME OF THE ORGANISATION	EVENT NAME	DATE OF EVENT	PARTICIPANTS
1	RDS SPORTS ACADEMY	SKATES CHAMPIONSHIP	25.05.2025	KARTIKEY (GOLD), VIRAT (GOLD), AARAV THAKUR (GOLD), MANYA (SILVER), ABHIMAN (GOLD)
2	ROTARY PUBLIC SCHOOL	THE TOY MAKERS TALE	18.07.2025	ANSHUL BISWAS(III), MAAHI SONI (IV)
3	CHHOTU RAM MEMORIAL COLLEGE, HISAR	13TH HARYANA STATE PENCAK SILAT CHAMPIONSHIP	19.07.2025 - 21.07.2025	TASHMEET (GOLD) KARTIK (SILVER)

Together We Grow, Together We Glow

“A motivated team creates inspired learners.”

At our school, we believe that our greatest strength lies in the dedication and passion of our staff. To keep this spirit alive, we make it a priority to celebrate, appreciate, and uplift our team at every step. From receiving letters of appreciation for participation in inter-school events, to fun get-togethers, staff parties, and outings, our teachers and staff enjoy moments of joy and camaraderie beyond classrooms. These occasions not only bring relaxation and laughter but also strengthen our bond as one big family. We know that a happy team creates a happy school—and so, we ensure that our staff feels valued, motivated, and celebrated all year round.

"SEASONS OF GLORY, MILESTONES OF PRIDE."

This season at our school has been a celebration of milestones and memories—moments that beautifully wove together leadership, recognition, and farewells. The Investiture Ceremony marked the dawn of responsibility, as our young leaders pledged to uphold the values of the school and lead with integrity, courage, and service. The Felicitation Ceremony shone as a tribute to dedication and achievement, where students and staff were honoured for their relentless efforts and remarkable accomplishments, inspiring others to aim higher. The journey culminated with the Graduation Day Celebration, a heartwarming farewell where graduates stepped forward with pride, confidence, and dreams, carrying with them the lessons, friendships, and spirit of our institution. Together, these events reflected our school's commitment to nurturing not just scholars, but visionaries, achievers, and changemakers of tomorrow.

Thank you

With deep gratitude, we bow to our School Management, whose vision lights our path, and to our Incharges and Teachers, whose dedication is the heartbeat of every success. Our thanks extend to the Admin team and Skill mentors, who work tirelessly behind the curtain, and to our Non-teaching staff, the silent hands that keep every wheel turning. To our loving Parents, whose faith is like the wind beneath our wings, we owe boundless appreciation. And above all, to our Students—the true soul of every celebration—thank you for painting our journey with colours of joy, memories, and dreams that will forever glow in the tapestry of our school's story.

“Where every hand contributes, every heart connects, and every memory becomes a masterpiece.”
