

## **High-Speed Dust Storm Warning: Safety Advisory**

As you may be aware, high-speed dust storms are expected to affect Delhi and neighboring areas in the coming days. To ensure safety, please take the following precautions:

- ✓ Secure Windows – Keep all windows securely bolted to prevent glass breakage and falling hazards.
  - ✓ Secure Outdoor Items – Tie down or remove any loose objects from courtyards, terraces, and entrance passageways to prevent damage to property, vehicles, or injury to people.
  - ✓ Remove Items from Parapets & Sills – Relocate flower pots and other objects from window sills and parapets to prevent accidents.
  - ✓ Turn Off the Main Switch – Switch off the main power supply as a precautionary measure.
  - ✓ Avoid Charging & Calls – Do not charge electronic devices or make/receive calls during the thunderstorm.
  - ✓ Keep Emergency Supplies Ready – Arrange candles, matches, and stock up on essential food items, including milk.
- Let's stay alert and take necessary precautions to prevent any serious consequences caused by negligence. Stay safe!

**Thank You!**  
**Team, SDHPS**
